

# Cairns Regional Domestic Violence Service

## Response Training – Assisting Child Witnesses of Domestic Violence. Introduction to the Effects of Domestic & Family Violence on the Child Witness

Does your work bring you into contact with children witnessing domestic & family violence?

Do you work with parents and other guardians affected by domestic violence?

Do you feel you could benefit from training about how witnessing the victim/perpetrator behaviours of domestic & family violence impacts on the child witness?

Would you like to learn more about

- How to recognise these affects
- How children cope with these affects
- What interventions can help children overcome these effects
- Available services
