How you can assist us

Help us to understand your needs so that we can give you the best possible service. You can do this by talking with our staff and participating in the consultation activities we conduct. We will listen to you.

If something happens that you like or do not like about our service, please let us know.

Tell us how we are doing

We appreciate client feedback and client service evaluation forms are available in reception.

Completed forms may be placed in the box at reception. We do not ask for your name on these forms.

Examples of complaints

- Confidentiality has been broken by a member of staff.
- Your personal rights have in some way been invaded.
- A conflict has arisen through lack of communication or a misunderstanding.

- A client has a complaint about a policy of a service.
- A client has a complaint about an action or piece of information produced by the Service
- A client has a complaint about the services they have received from the Service.

How to make a complaint

You can make a verbal complaint by talking to a member of staff or the CEO. They will put it in writing and read it back to you. To make a written complaint, you can ask for a Client Complaint form. You may be contacted to clarify details and you will be asked what action/response you want from the Service. You will be given a copy of the complaint.

All complaints will be dealt with:

- Seriously
- Quickly
- Confidentially
- Without stopping your right to get more help from the Service
- In accordance with the principles of natural justice.

Who to complain to

You can complain, either verbally or in writing to:

- The staff member you are complaining about
- The CEO
- The CRDVS Board
- Our funding body — the Department of Communities.

What we will do

If your complaint is not resolved with the individual/s concerned or the CEO, the CRDVS Board will set up a complaints committee. We will look at the complaint within 7 days and you will be told of the next steps. You may be asked for more information at this point.

You can have an advocate with you at all stages and we will provide an interpreter if you need one.
